

BPPE-APPROVED INSTITUTION

MASTER OF SCIENCE

Complementary and Integrative Health

40 semester units | Fully online and asynchronous | Graduate academic program

APPROVAL EFFECTIVE JULY 22, 2026

Institution Code 20260722143 | Degree program provisionally approved | Approval expires July 22, 2031

IULS is not institutionally accredited. State approval is not accreditation or BPPE endorsement.

PROGRAM AT A GLANCE

Delivery:

Fully online and asynchronous through Moodle; optional BigBlueButton office hours.

Curriculum:

Ten 4-unit courses spanning biomedical science, traditional health systems, mind-body inquiry, psychology, herbal and nutritional traditions, and responsible AI.

Learning:

Faculty-recorded instruction, moderated discussions, feedback, interactive activities, papers, projects, and a final integrative project.

Support:

Online library and information-retrieval assistance, accessibility resources, mobile access, and technology help.

ACADEMIC SCOPE

Academic, theoretical, and non-clinical. The program does not authorize diagnosis, treatment, prescription, acupuncture, psychotherapy, nutrition practice, or another licensed activity, and does not lead to professional licensure or licensure eligibility.

ADMISSION REQUIREMENTS

- Completed application and required documentation
- Bachelor's degree or equivalent from an accredited institution
- Minimum undergraduate GPA of 2.5, unless an approved exception applies
- Official transcripts
- English-language proficiency as required

INSTITUTIONAL CHARGES

Fee	Amount
Application fee	\$60
Course assessment fees	\$2,000 total
Graduation application fee	\$180
Estimated required total	\$2,240
Optional transcript	\$40/request

NOTICE TO PROSPECTIVE DEGREE PROGRAM STUDENTS

This institution is provisionally approved by the Bureau for Private Postsecondary Education to offer degree programs. To continue to offer this degree program, this institution must meet the following requirements:

- Become institutionally accredited by an accrediting agency recognized by the United States Department of Education, with the scope of the accreditation covering at least one degree program.
- Achieve accreditation candidacy or pre-accreditation, as defined in regulations, by July 22, 2028, and full accreditation by July 22, 2031.

If this institution stops pursuing accreditation, it must:

- Stop all enrollment in its degree programs, and
- Provide a teach-out to finish the educational program or provide a refund.

An institution that fails to comply with accreditation requirements by the required dates shall have its approval to offer degree programs automatically suspended.
